**A RESOLUTION OF THE
GREENHORN CREEK COMMUNITY SERVICES DISTRICT
REQUESTING COLLECTION OF CHARGES ON TAX ROLL**

WHEREAS, the Greenhorn Creek Community Services District (hereinafter "District") requests the County of Plumas collect on the County tax rolls certain charges which have been imposed by the District pursuant to the Uniform Standby Charge Procedures Act (Government Code Section 54984, et seq.) and the Fire Protection District Law of 1987 (Health and Safety Code Section 13800, et seq.); and

WHEREAS, the County has required as a condition of the collection of said charges that special districts warrant the legality of charges and defend and indemnify the County from any challenge to the legality thereof;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Greenhorn Creek Community Services District that:

1. The Auditor-Controller of Plumas County is requested to attach for collection on the County tax rolls those taxes and charges attached hereto as Exhibit A (fire department special assessment) and Exhibit B (water standby charge).
2. The District warrants and represents that the taxes and charges imposed by the District and being requested to be collected by Plumas County comply with all requirements of state law, including but not limited to Articles XIIC and XIID of the California Constitution (Proposition 218).
3. The District releases and discharges County, and its officers, agents and employees from any and all claims, demands, liabilities, costs and expenses, damages, causes of action, and judgments, in any manner arising out of the collection by County of any taxes or charges on behalf of District after December 11, 2007.
4. The District agrees to and shall defend, indemnify and hold harmless the County, its officers, agents and employees (the "Indemnified Parties") from any and all claims, demands, liabilities, costs and expenses, damages, causes of action, and judgments, in any manner arising out of the collection by County of any of District's said taxes or charges requested to be collected by County for District after December 11, 2007, or in any manner arising out of District's establishment and imposition of said taxes or charges after December 11, 2007. District agrees that, in the event a judgment is entered in a court of law against any of the Indemnified Parties as a result of the collection of one of District's taxes or charges, the County may offset the amount of the judgment from any other monies collected by County on behalf of District, including property taxes, subject to any prior liens or claims having priority to any such monies.
5. The District agrees that its officers, agents and employees will cooperate with the County in answering questions referred to District by County from any person concerning the District's taxes or charges, and that District will not refer such persons to County officers and employees for response.
